

Exceeding all expectations!

Meticulously crafted by a custom local builder, this 3 bedroom, 2 bathroom, 2 living area home is the true definition of sleek contemporary style living. With a striking street presence, this tidy home brings the outdoors in, presents a beautifully balanced floorpan that appeals to a broad range of buyers.

The home flows seamlessly through to an expansive open living, dining and kitchen space that features a Sienna gas cooktop and electric oven, double stainless steel sink and an island bench.

A stunning master bedroom that features a walk through wardrobe and an ensuite that includes a single vanity, toilet and walk in shower
