

Classical Period Residence

Take a step into your private sanctuary. Deceiving in size and space, this home is truly a rare opportunity to live the lifestyle you have always dreamed of. A home that flows effortlessly from the moment you open the door right through to the expansive outdoor entertainment area.

Upon entry, it makes a bold first impression with a sprawling living/meals area with classical features including ceiling roses, stain glass windows and ornate plastering that truly complement the entire home classic period feel.

The 'guest wing' with rumpus room boasts 3 comfortable sized bedrooms, a centrally located bathroom with a shower, bath and single vani
