

Immaculate Art-Deco Gem!

An informal entry space complete with a secluded mudroom storage of coats and shoes leads into the front sitting room, that enjoys views on both sides, out to the front garden and also out towards the back garden.

The secure back garden will amaze, with manicured lawn, beautiful established garden beds, silver birch and pear trees and so much more. A dedicated fire pit area is tucked away and boasts huge logs to sit on, and an elaborate and enclosed veggie garden is unlike any other. A huge outdoor undercover alfresco area is beautifully tiled and covered in so you can entertain year round and not be bothered by
